

1 | On freshly shampooed and conditioned hair apply a generous amount of Perfect Results Foaming Mousse.

2 | Apply throughout each section of hair. Perfect Results Foaming Mousse never hardens, it will make hair flexible, easy to comb and manageable.

3 | Begin the blow drying process, drying each section for control. Perfect Results Foaming Mousse dries quickly, and leaves hair shiny and soft without weighing it down.

4 | To finish your style, take small manageable sections and apply Perfect Results Premium Curling Spritz to each section before flat ironing.

5 | The combination of your flat iron and Perfect Results Premium Curling Spritz will make hair silky with body and shine. Enriched with protein for added luster, your hair will never be hard, Premium Curling Spritz can be used with flat irons or curling irons.

Maintenance

1

To keep your hair looking beautiful, wrap hair at night before bed. The wrap is quick, easy to do and easy to sleep on.

Maintenance

2

Use a brush (preferably a paddle brush) and brush hair in a circle around your head to become the roller.

Maintenance

3

To keep longer hair from falling out of place, use a long clip to hold sections.

Maintenance

4

Hold hair in place with a silky wrap scarf. Once scarf is in place, remove clips to make sure hair is smooth and silky.
